I will also complete the required FCA Permission Waiver form before my child/guardian leaves for Camp.

Dear Applicant: FCA Staff is excited that you want to attend FCA Camps. FCA Scholarship Funds are limited and vary in each FCA Area. We encourage you to apply early. If you need a scholarship, complete this form in its entirety and return to your local FCA Staff per the instructions below.

Scholarships are based on: 1) total amount of funds available in your FCA Area; 2) total number of student-athletes and coaches applying for scholarships in your FCA Area. Preference for scholarships go to applicants who have not received a scholarship in the past. A deposit is required and we encourage applicants to try to raise those funds.

FCA encourages you to contact your church, local civic clubs or businesses you have connections at to help with your Camp deposit or to match your scholarship request. Or, hold fundraisers with your teammates (*car wash, weight lifting marathon*)

Special Notes:

- All Scholarship Funds will be paid by your local FCA directly to the specific FCA Camp on behalf of the Camper. Applicants/Campers do not receive checks from FCA.
- Please use pen. Complete a separate scholarship request form for each Camper requesting a scholarship.
- Visit www.midatlanticfcacamps.org for details on cancellation and refund policies on FCA Camps.
- After the corresponding scholarship (i.e. \$100 off) is applied by your FCA Staff, the Camp balance will be due at time of the online registration at www.midatlanticfcacamps.org
