

Birdies For Charity Presented by TowneBank

Help FCA Go For The Green!

FCA is part of an exciting donation program that the PGA TOUR administers as a part of the Dominion Energy Charity Classic, a PGA TOUR Champions playoff event held in October at The Country Club of Virginia, James River Course. For each gift designated to FCARVA by October 21, 2018, the PGA TOUR and TowneBank together will add a 10% bonus. Individual, business and church gifts all receive an additional 10% bonus. Please pray about an extra gift in the days ahead to help us reach our goal of \$100,000 that will turn into a \$110,000 total gift to FCARVA. Program and donation details are below. If you have any questions please contact FCARVA Director Michael Stock at mstock@fca.org

DONATION TYPES (Donations can be made at any time until October 21, 2018)

- A one-time flat donation (*minimum donation of \$25*). If a \$100 gift is designated, FCARVA Receives \$110 from the program.
- A per-birdie donation (*option to cap donation*). Total donation amount will be determined based on the number of birdies made by PGA TOUR Champions professionals during the Dominion Energy Charity Classic (Oct. 19-21, 2018).

Per-birdie donations can only be made using a credit card.

WHAT IS A BIRDIE

- "Par" is the normal expected score on any given hole on the golf course. A "birdie" is a score of one stroke better than "par" for any golf hole. For example, on a par-4 hole, a score of 3 is a birdie.
- In 2017, 789 birdies were made during the Dominion Energy Charity Classic (*i.e. A donation of \$.10 per birdie would equal a total donation of \$78.90*).
